Process Service Fees for California

Professional Process Service to California Counties, Cities and Communities

We provide complete service of process of all documents such as Summons & Complaints, Family Law Documents, three, five & thirty day notices, All Small Claims documents, Cross-Complaints, Writs of Garnishments, and Bank Levies, Record and Personal Subpoenas, etc. We utilize registered and bonded professional process servers and / or licensed private investigators to serve most legal process. This ensures that your work is done professionally and is done right the first time. Our team is dedicated to serving all legal documents within the time frames required from receipt of documents to the return of the proof of service. We strive to maintain a high level of successful document delivery through our years of experience and relentless determination to serve your documents.
